

3096PCE

96 Day RM

3096PCE has great plant health, a very good overall disease package and solid late season stalk integrity. A medium tall plant with excellent root strength and consistent, dominant yields across years and yield environments.

Management Guidelines

-  Performs at high levels west to east
-  Adapts to ALL yield environments
-  Plant medium to med-high populations
-  Position as a medium to full season hyb
